

Celentyx Ltd: Directions

Celentyx Ltd is located within the Institute of Research & Development on Birmingham Research Park (B6 on the map below), where parking is available.

By motorway

Approaching from the Northwest or Southeast along the M6:

- Leave the M6 at Junction 6 (signposted Birmingham Central) to join the A38(M)
- At the end of the motorway, keep to the right, go over the flyover, then continue through the underpasses staying on the A38 Bristol Road
- The University is on your right, two and a half miles from the city centre

Approaching from the M42 North:

- Leave at Junction 8 to join the M6 northbound and follow the instructions above

By rail

Most cross-country services to Birmingham arrive at New Street Station. Up to six trains an hour depart from New Street Station for the University on the cross-city line (final destination Longbridge or Redditch). To reach the Research Park, turn right out of University station, then right again at the island, and carry on down Vincent Drive until you see the Research Park entrance on your right (a 5 min walk from the University Station).

Approaching from the Southwest:

- Leave the M5 at Junction 4 signposted Birmingham SW to join the A38
- The University is approximately eight miles from Junction 4 of the M5

Approaching from the M40:

- It is easier to turn South when reaching the M42 (towards M5) and leave at Junction 1, heading North on the A38 Bristol Road for Birmingham
- The University is approximately eight miles from Junction 1 of the M42
